MARCH 2025

Lean into Lent!

With all the cold winter weather February has brought, many of us are eager for spring to arrive. As March invites a shift in seasons, it also brings a change in the rhythms of the church. On March 5th we welcome the sacred season of Lent, the 40-day period beginning on Ash Wednesday and ending on Holy Saturday, the day before Easter. The word "Lent" derives from the old English word, *lencten*, meaning "springtime" or "lengthening of days". Traditionally, Christians from many denominations use Lent as a time to reflect on some of the deepest truths of our faith, and to spiritually prepare ourselves for the suffering, death, and resurrection of Jesus.

There are three common spiritual disciplines Christians are invited to participate in during Lent. We might take on an additional prayer practice such as reading scripture or using a Lenten devotional. We might fast or abstain from something we enjoy as a simple reminder of the sacrifice that Jesus makes on the cross. We might do something charitable such as volunteering or giving alms to the church or an organization of our choice. These Lenten practices help underscore the sacredness of the season and prepare our spirits for the coming joy of Easter resurrection.

Read on to learn how you can make the most of Lent at MCC. Join us the evening of March 5th, Ash Wednesday, to enjoy a simple meal followed by an Ash Wednesday prayer service. Grab a copy of our church-wide Lenten devotional, "Coming back to Life", published by the SALT project. Attend our Sunday morning discussion group from 9:45-10:15 where we'll engage the devotional as a group. Connect with our Missions team as we feed, serve, and support those in need in our community.

This month, lean into Lent! Make the most of this rich and sacred season as we embark on our 40-day journey to Easter Resurrection!

STEWARSHIP REPORT

Church property thoughts recall Joe, a church custodian who had difficulty getting a job since he could neither read nor write. Walking to work one day he wanted a donut and coffee but found no place to buy them. Spotting an empty building he acquired it, figuring that others going this way might have the same desire. His coffee shop was a hit, leading to a chain of such businesses. Joe was interviewed relative to his success and the interviewer noted that it was remarkable he created this enterprise but couldn't read or write and pondered what Joe would be if he were literate. Joe stated that he knew what he'd be. He would be a church custodian.

Pastor John relates that the church is more than a property MCC is blessed to have. It is holy ground that provides God's people a place to gather, sing, worship and organize for the Gospel's sake. It takes on sacred community resonance as it holds the ceremonies and celebrations that make us Church. We are blessed to have our building and property and are grateful to those who donate time, talent, and treasure to maintain it.

The Property Committee is Chaired by Gary Eggleston with help from Bernie Roberts and others and always welcomes new members. For FY 2025, the congregation budgeted \$18,530, covering 17 expenditures to maintain and operate this property. They range from electricity to fire extinguishers to Insurance. Given that the church is older, significant maintenance issues are cropping up. Recently \$456.65 was spent to repair an HVAC unit. And now another HVAC unit needs to be raised and leveled. Beyond this, our growing congregation is creating a need for some grading and gravel to expand the parking lot. Expenses like these cannot be forecast when developing the fiscal year budget. To cover serious, unexpected needs, the Special Account was established. Since it came into existence it has helped fund the rebuilding of the understructure of the second level, a new roof, and HVAC system replacements. Resources in this account are collected through a special offering taken every month having a fifth Sunday, the next being March 30.
