Dear MCC Members and Friends,

Throughout the Gospels Jesus frequently takes one thing and turns it into something else. Think water into wine. A sick person into a healthy person. A stormy sea into a sunny day. A few loaves and fish into a feast! These stories are not mere messianic magic tricks. They are examples of Jesus' ability to transform the ordinary into the extra-ordinary. Jesus takes the average, everyday realities of life and uses them to reveal the love and power of God present around us. Then, he invites his followers to do the same!

This month, at Millersburg Christian Church, that is exactly what we are going to do! We are going to take the average, ordinary objects from our closets, garages, and attics and transform them into mission through our annual MCC Rummage Sale! A small army of volunteers will gather, sort, price and sell our things transforming our stuff into service to God and neighbor. By the end of the sale, something miraculous will have happened. Like Jesus, we'll have turned everyday items into valuable resources that will enable us to better serve our community.

Jesus told his disciples, "Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father." Whether you are donating, working, or shopping I hope you'll join us in the transformative work that awaits us this month!

CONGRATULATIONS TO:

Miles Bethell for maintaining a 4.00 GPA at the conclusion of his freshman year at Columbia College.

Beth Monson, daughter of **Jeanette Hudson**, who graduated from the University of Missouri on May 16, 2026 earning a Bachelor of General Studies degree with a minor in Psychology.

Beth dreamed of becoming a college graduate long before finishing high school. After 32 years of taking classes while balancing life's many responsibilities, she proudly accomplished that goal. Her journey is a wonderful example of perseverance, determination, and never giving up on a dream.

In addition, Beth has been accepted into graduate school at the University of Missouri, where she will pursue a Master of Education degree with a focus on student learning and well-being.

As if graduation week was not exciting enough, Beth was also surprised to receive the Chancellor's Outstanding Staff Award for Administrative & University Functions. She was nominated by her supervisor and colleagues in recognition of her dedication and service.

Pastor John celebrating Pentecost and baptizing J. C. DeLaporte and Patrick Daily

Hello!

“We’ve had another amazing month at Millersburg Preschool that had been filled with creativity, laughter, and hands-on learning!

Our preschool children have been especially busy this month. During our All-Day Preschool celebration, the kiddos came to school in their pajamas, making for a cozy and exciting day together! One of their favorite activities was making a Friendship Cake for afternoon snack. Not only was it delicious, but it also gave the children a fun opportunity to explore color mixing and teamwork in the kitchen. Next week, the children will continue their artistic adventures by creating beautiful shadow and silhouette pieces and expand upon them by adding clothes of their choice.

Our alumni students have been working incredibly hard on their kamishibai storytelling projects. They have put so much creativity and effort into writing and illustrating and they are so excited to share them on the last day of school. We cannot wait to see all of their hard work come to life!

As we wrap up such a wonderful year, we are feeling incredibly grateful for the children, families, and community. It has been a year filled with growth, friendship, exploration, and so many special memories. We already can’t wait to welcome everyone back for more adventures soon!”

**Thanks so much!
Brooke Calvin**
